Proposed WCF World Under 21 Golf Croquet Championship

Dear WCF Member,

The WCF proposes to hold an Under 21 yrs of age World GC Championship in 2009.

The event to be held in July or August 2009 in Cairo, Egypt.

WCF would like to know the following:-

1. which member associations would nominate persons for this event;
2. the likely numbers of persons they would be expected to nominate;
3. what in their opinion, are the best dates for the event during the July / August 2009 period.

I would be grateful for any feed-back on this as soon as possible.

regards
