**WCF World and European Team events**

**Please read and complete the attached short questionnaire.**

## **Can you help us please?**

### **Introduction**

The WCF, with the assistance of the Fédération Européenne de Croquet (FEC) recently organised a European Team Championship incorporating both Association and Golf Croquet. The main purpose was to nurture emerging European croquet nations to involve themselves in International play and develop and improve their own domestic standards.

This survey is to find out what participants and others present at that event, thought about various aspects of it. Additionally, WCF seeks views on **any** aspects of its work.

All your views are valuable and will be fed back to the member associations at the next WCF Council Meeting on 6<sup>th</sup> February 2008 in New Zealand.

### **What happens if I do not wish to participate in the completing of the Questionnaire?**
