

WCF Child Protection Under Age Release

WCFCP Form 1
Effective Date 21.10.08
Version 2

Players under the age of 18 years and WCF events

The World Croquet Federation (WCF) recognises the need to ensure the welfare and safety of all young people in sport.

WCF and the host Croquet Association of a WCF event will take:-

- all reasonable precautions to ensure that young people are safeguarded from danger.
- all reasonable steps to prevent the taking of photographs, video or other images of young people without the consent of the parents / legal guardian and the relevant child.

Persons under 18 years of age on the first day of competition at a WCF event may, at WCF discretion, be permitted to play only on presentation of an authority signed by the young person's parents or legal guardian and by the member national association, confirming that the player may play croquet in the event. The WCF reserves the right to refuse entry of an under-aged player.

In addition, the WCF requires additional information relating to the young person in order to ensure their safety and welfare whilst at the event.

Where relevant consent is given, the WCF will follow the guidance for the use of photographs, a copy of which can be found on the WCF web site. The WCF will take all steps to ensure these images are used solely for the purposes they are intended. If you become aware that these images are being used inappropriately you should inform WCF immediately.

WCF recommends that the parent or legal guardian of a young person, take out insurance for travel incidents, medical treatment or repatriation in the event of mishap.
